Hollywood may be hung up on looks, but Luxe wants to get in touch with what's inside—namely, our sorely neglected muscles. We were led down a dark and narrow hallway to an even darker and smaller room—and that's when Luxe began to live up to its cushy name. For two hours, we were rubbed, stretched, and pummeled using Thai, Swedish, deep tissue, and sports massage. Ingutti stroked each limb and, with a warm
